Footnotes:

1. John 17:8 For I gave them the words you gave me….
2. Please understand that I have been writing what father has given me for over four years now, almost daily; and sometimes 2-3 times a day. The words he gave in 2003 and 2004 are no less valuable than the words that have come since then. This is the point: they all converge, and point to what is being molded: that which has no mold! The study of these words must be done as a whole. The words are one. They are all a package that makes up the package. The foundation that is laid, and even foretold in the early words, about the words coming now forth, are of paramount value. Please don't omit them. All of these words are at the center of the University of The New Covenant, for the release of The New Covenant is the operation of The New Covenant where father teaches us about all things. 1 John 2:20 and 27. Heb 8:10-12. Jer. 31:31-34. Acts 2:17. Joel 2.
3. John 3:8 The wind blows wherever it pleases. You hear its sound, but you cannot tell where it comes from or where it is going. So it is with everyone born of the Spirit.
4. Psalm 110. Luke 17:21. How does Revelation end?
5. John 10:16 And other sheep I have, which are not of this fold….
6. John 10:16 … not of this fold: them also I must bring, and they shall hear my voice; and there shall be one fold, and one shepherd.
